EXHIBITION RULES

*Welcome to the 2017 edition of the
“Mississippi State Fair Antique Vehicle Exhibition”*

It is our goal that when you leave the exhibition you will have had a very pleasant and enjoyable experience. It is also hoped that the Board of Directors of the Antique Vehicle Club of Mississippi will feel the same way. There are very few rules that actually govern the manner in which the exhibition is presented. We do feel that it is important to advise you of these guidelines.

- *All entries must be antique, unmodified transportation vehicles, model year 1980 or older other than any specific vehicle that has been in a previous Mississippi State Fair Car Show which itself only will not be disqualified for reason of age.*
- ***PROOF** of insurance and a fire extinguisher are required for each vehicle and will be verified before the vehicle is admitted. **NO** exceptions!!!*
- *The AVCM is dedicated to the preservation and restoration of antique vehicles. Vehicles that are radically different from original will not be accepted into the exhibition. Any questions regarding this issue will be resolved before the vehicle is accepted.*
- *Disconnect the vehicle's battery!!! Leave the vehicle unlocked. Place the keys under the floor mat or in the ashtray or glove box.*
- *Place a mat under the vehicle to catch drips. **YOU** are responsible for cleaning the floor under your vehicle before you leave. Please do your part to help us.*
- *No advertising signs allowed with the vehicle. Please use the bulletin board for all business cards, “For Sale” or similar signs. Also, no trophies from previous shows of any kind are allowed with the vehicle.*
- *Please have your vehicle ready for judging on Saturday morning October 14th. Your vehicle must be unlocked with the hood open before the judges arrive.*
- ***NO** vehicles will be removed from the exhibition hall once in place, until 3:00 P.M. on Sunday October 15th. **NO** exceptions!!!*

2017 State Fair Application Addendum
Please Read

Due to the success of our show each year at the State Fair and the large number of fair-goers who enjoy and visit our show, we are in need of more help from our vehicle owners to oversee our vehicles during the hours of the fair. We do not want to leave the vehicles unattended at any time that the Trade Mart is open to the public, and it takes large number of people to accomplish this.

All vehicles participating in the car show will be given one free gate pass to the fair. If you will be willing to help man the show for at least four hours (scheduled) during the fair, we will provide you with one additional pass to the fair — a total of two passes if you are willing to help watch and protect our vehicles. If you are interested in helping, please indicate that on your application so that we can be sure to have enough passes on hand when you bring your car to the fair. Thank you for your consideration.

2017 Mississippi State Fair Dates - Evening 5:00 pm on Wednesday October 4th through Sunday October 15th till close. The Car Show ends at 3 pm on Sunday October 15th.

If you are willing to help in protect our vehicles please sign up below for the dates and times you are willing to help staff the show.

Times needed are 10 am through 9 pm Monday through Sunday. On rare occasions the Trade Mart management will change hours with notice.
